

**THE HON RICHARD MARLES MP
SHADOW MINISTER FOR IMMIGRATION AND BORDER
PROTECTION
MEMBER FOR CORIO**

DEATH OF ASYLUM SEEKER

The confirmation that a 23 year-old asylum seeker has today died in a Brisbane Hospital following injuries sustained during an incident on Nauru is an absolute tragedy.

Labor extends its condolences to the man's wife and his family and friends.

Labor continues to call on Mr Turnbull to urgently secure a third country arrangement that offers refugees a viable long term settlement future.
