**TURNBULL'S DEAL: CLEAR AS MUD**

Malcolm Turnbull needs to come out and declare exactly what agreement he reached with Donald Trump.

Just yesterday Malcolm Turnbull said:

*"the Trump Administration has committed to progress with the arrangements to honour the deal, if you like, that was entered into with the Obama administration, and that was the assurance the President gave me when we spoke on the weekend."*

Today, President Trump tweeted that he would '*study this dumb deal*'.

Labor supports this deal going ahead - and it's time Malcolm Turnbull stood up and levelled with Australians about whether he has a deal or not.

Australians deserve to know what he's going to do.

And if the Prime Minister doesn't know whether he has a deal, he needs to tell us what his plan is now that he has failed to stand up for Australia's interests and values
