

FEDERAL LABOR DEFENCE TEAM

A SAFE AND MERRY CHRISTMAS TO OUR ADF PERSONNEL

Federal Labor wishes all of our service personnel at home and abroad a safe and merry Christmas.

There are more than 2,000 Australian defence personnel deployed around the world, away from their families and loved ones this Christmas.

It is a reminder of the sacrifices so many of our ADF personnel and their loved ones make to protect and defend our country and our national interests.

We are thankful for their service all year round, but especially at this time of year.

We wish them all a safe and happy holiday season.
